## WORK EXPERIENCE

### Co-Founder, Feng Shui Collective 2017-current

I built this business (and many others) from the ground up. Currently, I handle client success, project management, sales, marketing, communications and partner collaborations. Creating beautiful spaces (work & home) to achieve your goals and manifest the best life.

### Small Business Consultant/Goal Coach 2012-2022

I am a goal setting and strategic planning master. Using my proven 7-step goal setting method, I've helped brick and mortar companies create additional revenue streams. We audited operations, hosted virtual learning experiences and created online courses and learning libraries.

### Director of Client Relations, Celebros 2010-2015

I was responsible for creating deep relationships with our global client base of over 100 Fortune 1000 and Fortune 500 companies. Leading a team of 5, I also collaborated with various internal teams to exceed our clients' expectations. Team building, onboarding, upselling and attrition management were my specialties.
